

The Community Care Project

An Enhanced
Way to Reach
Out to Your
Communities

Engage your church and community via our free* program focused on advance care planning & education, including wellness check-ins with your congregation.

Services Include:

- Advance care planning education
- One-day advance care planning educational workshop (includes presentations from a nationally recognized ACP expert, the opportunity for attendees to complete their own documents, and more)
- Staff training & resources to perform wellness checks and overall check-ins with your congregation**

For more information, please contact Margaret Sharp
at **919-921-8626** or by email at **msharp@hshig.org**

*Generously funded by the North Carolina License to Give Trust Fund Commission

**Focus can be tailored to address issues facing your community and congregational needs
