

**NORTH CAROLINA SERIOUS ILLNESS COALITION
ADVANCE CARE PLANNING WORK GROUP
September 18, 2020
Agenda**

Purpose

The purpose of the NCSI Coalition Advance Care Planning (ACP) Work Group is to build engagement among stakeholders to support the following recommendations:

- **4.2:** Develop statewide initiative for improved awareness of, and support for, completion of advance care planning
- **4.6:** Revise signature and notary requirements for advance directives documents
- **4.7:** Ease administrative burden, increase participation in completing documents, and improve accuracy of Advance Directives
- **4.9:** Promote electronic completion and adequate integration of advance directives and portable medical orders
- **2.1:** Provide support and leadership for the activities of the North Carolina Partnership for Compassionate Care, including the promotion of the MOST Form in North Carolina and representation with National POLST
